

Web site privacy policy

The Curtain Workrooms, the operators of this web site, would like to reassure you of any concerns you may have over your privacy...

This statement outlines:

- What personally identifiable information of is collected through this web site;
- How the information is used by The Curtain Workrooms;
- What choices are available to you regarding collection, use and distribution of the information;
- How you can correct or update the information.

What personally identifiable information is collected through this web site and how it is used by The Curtain Workrooms:

While you are browsing the pages

General information, such as which pages users access, is automatically collected by our web server through use of your IP addresses. An IP address is a number automatically assigned to your computer whenever you are on the internet. We use your IP address to monitor the number of pages accessed, help diagnose problems with our server, and to administer our web site. We do not link your IP address to anything personally identifiable, so you will remain anonymous in the analysis of these logs.

Cookies

Cookies are locally saved text files which can only be accessed by your browser, they are not accessible by our server. At present this site does not use cookies although they may be introduced in future, purely to assist your navigation around the site, including a list of items in a shopping basket. These cookies will expire when you close your browser window. We do not save any personal information to these cookies.

Email contact

Direct email communication with The Curtain Workrooms will not result in your email address being added to a mailing list.
